**Subject:** final Europe testimony and q/a docs  
**Attachments:** 9\_19\_16 EMIS written questions to EPA final.doc; 9\_19\_16 USEPA testimony- EMIS Committee hearing Final to Anna.docx

Attached are clean, final (I hope) versions of the EMIS Q/A document and of Chris' testimony. The latter has not been changed from the version I sent around earlier today. The Q/A document has a couple of tweaks to the I/M language from the review version you got earlier, thanks to helpful input from Dave Sosnowski and Meg.

Anna says we have until the end of the day today to get our final, final versions to her but I'd rather not wait until last minute so I'm sending these out as final now. If anyone sees something here (or probably easier to find in the markup review version I sent you this morning) please try to get that info to me right away. Many thanks to everyone for all the help with these last touches.
